Date: December 11, 2024

Hhonorable members of the Islamic Chamber of Commerce and  
Development,

السلام عليكم ورحمة الله وبركاته

**Subject: Launch of ICCD Members Events platform**

The General Secretariat of the Islamic Chamber of Commerce and Development presents its warmest greetings and best regards.

We are **pleased to announce the launch of a platform on our website**, [www.iccdglobal.com](http://www.iccdglobal.com), dedicated to promoting regional and international events and activities of interest to our members. This centralized platform will enable chambers to **submit and share details of their upcoming events**, ensuring that all members are informed about available opportunities for participation and engagement.

The platform will feature:

- **Events Section:** A dedicated area where chambers can share details of their upcoming events to keep our community informed.
- **Benefits Description:** An overview of each event, highlighting its objectives, benefits, and potential networking opportunities.
- **Events details:** High resolution logo, website, promotional materials, date and location

While **we prefer submissions to be primarily in English**, we welcome events presented in French or Arabic to accommodate our diverse membership. Please ensure that events are submitted with **sufficient lead time** before the event to enhance their visibility on the platform.

The publication of this platform **will commence in 2025**, and we encourage all chambers to actively participate by submitting relevant events for promotion. This initiative aims to foster collaboration and engagement within the Islamic business community.

**For further details and to submit your events**, please contact us at [MRM@iccdglobal.com](mailto:MRM@iccdglobal.com). We look forward to your valuable contributions in enriching our community through this new platform.

Please accept, the assurance of our highest consideration.
